Scholarships to study at Instituto Superior Técnico in the framework of the European Programme ERASMUS+ KA171

OBJECTIVE

The Erasmus+ Mobility for Studies programme offers students the chance to spend a period of continuous **study** at the **Instituto Superior Técnico** during the second semester of the 2025-2026 within the framework of the Erasmus+ Programme.

Mobility students will receive a grant, can attend courses and use all the facilities available at the **Instituto Superior Técnico** with no additional tuition fees (with the exception of any fees also applicable to local students). All learning activities approved in the Learning Agreement and completed successfully will be fully recognized at the home university.

The Erasmus+ Programme offers students the chance to gain cultural experience abroad, become familiar with other higher education systems and meet young people from other countries, actively contributing to the process of international integration.

The grants offered to Erasmus+ Mobility for Studies students do not cover all the expenses but are merely a contribution to bearing the additional costs of the stay abroad.

The Erasmus+ Programme – mobility for study offers the possibility to spend a period of **studies** at **Instituto Superior Técnico** for **Master and PHD students** from the University of Sfax.

Mobility students will be awarded a scholarship, will attend courses and will use all the facilities of the **Instituto Superior Técnico** on an equal basis as the enrolled students.

MOBILITY PERIODS

Beginning of the 2nd semester: **3 months**

FIELDS OF EDUCATION AND TRAINING

Link to the course catalogue: [Master's Programmes – Técnico Lisboa](#)

Proof of Inclusion (for students who meet one or more of inclusion and diversity criteria established by the Erasmus+ program – (kindly see “Pre-selection criteria at the home university” section).

Pre-selection criteria at the home university

The home university will provide a pre-selection of candidates according to the following general criteria:

- Average grade.
- Language skills.
- Any other elements indicated by the student in the application (other learning experiences, specific academic interests, etc.).
- Additional criteria i.e: membership in science clubs or associations, participation in conferences and other mobility programmes etc. (it is up to the sending institution to include the criteria or not)
- Students who meet one or more of the following inclusion and diversity criteria established by the Erasmus+ program:
 - disability (i.e. participants with special needs): people with mental (intellectual, cognitive, learning), physical, sensory or other disabilities;
 - educational difficulties: young people with learning difficulties; early school-leavers; low qualified adults; young people with poor school performance.
 - economic obstacles: people with a low standard of living, low income, dependence on social welfare system or homeless; young people in long-term unemployment or poverty; people in debt or with financial problems.
 - cultural differences: immigrants or refugees or descendants from immigrant or refugee families; people belonging to a national or ethnic minority; people with linguistic adaptation and cultural inclusion difficulties.
 - health problems: people with chronic health problems, severe illnesses, or psychiatric conditions.
 - social obstacles: people facing discrimination because of gender, age, ethnicity, religion, sexual orientation, disability, etc.; people with limited social skills or anti-social or risky behaviors; people in a precarious situation; (ex-)offenders, (ex-)drug or alcohol abusers; young and/or single parents; orphans.
 - geographical obstacles: people from remote or rural areas; people living in small islands or in peripheral regions; people from urban problem zones; people from less serviced areas (limited public transport, poor facilities).
