

Deadline: October 19, 2026 at 1pm (UTC +2)

Iméra Core Call for Applications 2027-2028

More information to apply —————→

Iméra
Institute
for Advanced Study
Aix Marseille Université

Context

5 fellowship positions distributed across **4 research programmes: Interdisciplinary Dialogues; Mediterranean; Necessary Utopias; and Arts & Sciences: Indisciplined Knowledge.**

Location

Iméra, Marseille, France, at the heart of the Longchamp park.

Residency duration

10 months (September 2027 - June 2028)

5 months (September 2027 - January 2028 or February - June 2028)

Publication of selection results: **early February 2027**

Who can apply?

Any interested **researcher** may apply for **only one position** among those offered.

Applicants who are former Iméra residents may reapply at least 5 years after their initial research stay.

Why apply?

Participating in an **intercultural, international** and **interdisciplinary** context;

Immersing oneself in a **multilingual environment**;

Experimenting with new forms of **collective intelligence**;

Networking opportunities with other fellows, the Aix Marseille research community, and partners...

Requirements

An active knowledge of **French** and/or **English** (written and spoken) is essential. Linguistic skills in both languages are desirable due to the bilingual context at Iméra;

Committing to participating in the weekly **Community-Building Seminar**, one of Iméra's central activities, and other scheduled activities;

Identifying key local resources related to the research theme and outline the envisioned **modes of collaboration**.

Deadline

October 19th, 2026 at 1pm (UTC+2)
