Subject: Study in Italy with TNE IMPACT Mobility Programme

Dear students,

Have you always dreamed of studying abroad? Italy offers you a gateway to Europe: a study experience without borders.

Now you have everything you need to make it happen with the **TNE IMPACT International Mobility Programme**.

You finally have the opportunity to spend **at least a bimester** at top international universities in **Italy**, with a scholarship of up to **€3,000**.

Why Apply?

An Italian experience enriches your CV, broadens your cultural understanding and connects you with a global network— an essential advantage for your future career.

- Choose up to two destinations among our partner universities and explore top universities.
- Experience the Italian spirit, from its rich culture to its exquisite cuisine.
- Attend courses, workshops, and research activities, with full academic credit recognition

Here are the partner universities where you can study:
