

**Scholarships to study The University of Jaen (Spain)
in the framework of the European Programme ERASMUS+ KA171****Objective**

The Erasmus+ Programme – mobility offers the possibility to spend a period of study at **University of Jaen (Spain)** for **Bachelor and master Students** from the University of Sfax.

The **Erasmus+ Programme** is an initiative launched by the European Commission to fund mobilities among EU countries and between Programme Countries (EU countries) and Partner Countries (countries from the rest of the world). Every year, a new call for proposals will be open with the aim to promote socio-economic changes, the key challenges that Europe will be facing until the end of the decade and to support the implementation of the Europe 2020 strategy for growth, jobs, social equity and inclusion.

This Erasmus+ Action 1 project between the University of Jaen and its partner universities in regions 1, 2, 3, 8 and 13 offers **Undergraduate students the chance to spend a study period at the University of Jaen (Spain)**.

Mobility students will receive a **grant as a contribution to their costs for travel and subsistence during the period of study and an amount to support them in covering their travel costs**. Mobility students can attend courses and use all the facilities available at the University of Jaen with no additional tuition fees (with the exception of any minor fees also applicable to local students). All learning activities approved in the Learning Agreement and completed successfully will be fully recognized at the home university.

The Home Universities will be in charge of selecting students and sending them to the University of Jaen (including preparation, monitoring and recognition related to the mobility period) and of announcing this call through their own web page and other publicity means.

Applicants are kindly requested to carefully read all the information contained in this document before proceeding to fulfill and submit their applications form.

Funding:

The grants offered to students and staff in the Erasmus+ Mobility between Programme and Partner Countries do not cover all the expenses, but are merely a contribution to bearing the additional cost of the stay abroad.

The grants include:

- A European Union **contribution for subsistence**: An amount established according to the country of destination and the actual number of days spent abroad. In particular, the grants are split into groups of countries according to the cost of living. Spain is included in Group 2 and the mobility contribution is **850 € per month** for students.
- An additional amount to cover **travel expenses**. The amount is calculated according to the distance between both cities.

The distance will be calculated as follows: Distance between the city of the home University and Jaen (Spain).

The Universidad de Jaen (Spain) as Applicant organization will be in charge of the payment of the grants to the incoming scholarship holders once they have started their mobility in the University of Jaen and have signed the Confirmation of Arrival and the Grant Agreement.
