The student must be **preselected** and **nominated** by the University of Sfax, students will have a Skype Interview in accordance to which the final acceptance decision shall be taken.

Pre-selection criteria at the home university

The home university will provide a pre-selection of candidates according to the following general criteria:

- Average grade.
- The consistency of the proposed activities.
- Language skills.
- Any other elements indicated by the student in the application (other learning experiences, specific academic interests, etc.).
- Additional criteria i.e: membership in science clubs or associations, participation in conferences and other mobility programmes etc. (it is up to the sending institution to include the criteria or not)
- Students who meet one or more of the following inclusion and diversity criteria established by the Erasmus+ program:
 - disability (i.e. participants with special needs): people with mental (intellectual, cognitive, learning), physical, sensory or other disabilities;
 - educational difficulties: young people with learning difficulties; early school-leavers; low qualified adults; young people with poor school performance.
 - economic obstacles: people with a low standard of living, low income, dependence on social welfare system or homeless; young people in long-term unemployment or poverty; people in debt or with financial problems.
 - cultural differences: immigrants or refugees or descendants from immigrant or refugee families; people belonging to a national or ethnic minority; people with linguistic adaptation and cultural inclusion difficulties.
 - health problems: people with chronic health problems, severe illnesses, or psychiatric conditions.
 - social obstacles: people facing discrimination because of gender, age, ethnicity, religion, sexual orientation, disability, etc.; people with limited social skills or anti-social or risky behaviors; people in a precarious situation; (ex-)offenders, (ex-)drug or alcohol abusers; young and/or single parents; orphans.
 - geographical obstacles: people from remote or rural areas; people living in small islands or in peripheral regions; people from urban problem zones; people from less serviced areas (limited public transport, poor facilities).
