Call for applications for Staff mobility

Erasmus+ Summer School

At the University of Almeria (Spain)

In the framework of the European Programme ERASMUS+ KA1

Objective:

The Erasmus+ Programme mobility offers the possibility to spend a period of **teaching/Training** at the **University of Almeria (Spain)** for **Academic & Administrative Staff** from the University of Sfax.

Mobility grants for your Faculty/Staff:

- **Erasmus+ Summer School 2027 (only for Faculty):** Professors are also welcome to the ESS! They have the option to either teach 8 hours long courses, or 4 hours long courses in combination with their attendance to a training session. We know that they had a great experience in past years, so we are looking for more professors to join us this year as well.
- **International Staff Week (for Faculty & Staff):** UAL will host its 16th International Staff Week on April 2027. Like every year, we'll organize workshops, events and social events. You can see the program of last year's ISW [here](#). You can nominate your Faculty and/or Staff for our ISW.

General conditions for admittance:

- The candidate must be permanent Staff at the University of Sfax.
- To submit a Mobility Agreement proposal, validated by the relevant institution authorities at the home university.
- Courses will follow a highly practical approach and cover topics such as Financial Literacy, IT & App Development, Humanities, and Communication. You can explore examples of ESS'25 courses [here](#).

Financing:

- 170€ per day (depending on the available budget) from day 1 to 14
- 119€ per day (depending on the available budget) from day 1 to 14
- Up to two additional days for travel support
- Travel allowance: 309€

Criteria for drafting the ranking list:

The home university will provide a selection of candidates according to the following criteria:

Evaluation and selection of applications:

All the selection process at the home University will need to meet the criteria of transparency and equal opportunities for all applicants submitting their applications. The specific selection criteria and scale of assessment will be clearly established and published in the webpage and by any other means used to spread and announce the call.
