

Global Excellence in Higher Education

Academic Year 2025 - 2026 | International Congress

SFAX: A HISTORIC COASTAL HUB

Located approximately 270 km from the capital Tunis, Sfax is Tunisia's representative coastal city and its second economic center.

Its ancient history is etched in time through its former names: **Syphax** during the Berber period and **Taparura** under the Roman Empire.

A bridge between historical heritage and modern economic dynamism.

University of Sfax

"Founded in May 1986, it brings together prestigious institutions that offer practically all types of education, including medicine and paramedical sciences, engineering sciences, fundamental sciences, humanities and legal sciences, arts, music, and sports."

INSTITUTIONAL CORE & VALUES

Our Mission

To offer high-quality, innovative education while developing scientific research with high socio-economic impact.

Our Vision

To become a leading entrepreneurial university serving sustainable socio-economic and cultural development.

Core Values

Excellence, Ethics & Respect,
Equity, Transparency, and Civic
Responsibility.

A MULTIDISCIPLINARY POWERHOUSE

19

Academic Institutions

Our expansive academic ecosystem includes:

- ✓ 05 Faculties & 04 Schools
- ✓ 10 Higher Institutes
- ✓ 01 Scientific Research Institute ("L'Olivier")

34,298 Enrolled Students (incl. 1,062 International)

University of Sfax

COMMITMENT TO GLOBAL STANDARDS

ISO 9001:2015 Certified

The University of Sfax is distinguished by its commitment to international management standards, ensuring quality across all institutional activities.

Certificate N° 2025/113357.1

Recertification Period: 2025-2028

Scope: Support for Governance, Employability, Scientific Research, Training, and International Cooperation.

COMPREHENSIVE ACADEMIC PROGRAMS

Degree Cycle / Academic Program	Specializations
National Bachelor's Degrees	70
Research Master's Degrees (incl. 07 International Coop)	83
Professional Master's Degrees (incl. 11 Co-developed)	103
Doctorate Programs	37
Engineering Cycles & Preparatory Studies	19

DRIVING INNOVATION: C-INNOVENT

C-INNOVENT serves as our strategic pillar for Transfer and Valorization:

 **4C Center:** 908 Participants, 611 Certified Students.

 **BUTT Office:** Technology transfer & research valorization.

 **PEES Hub:** Nurturing 53 student entrepreneurs in 2024-2025.

HUMAN CAPITAL & EXPERTISE

Academic Staff

4,627 Total Faculty
(2,557 Permanent Staff)

Administrative staff

1,028 Administrative

Success Rate

79% Average Success Rate
8,046 Annual Graduates

CHAPTERS

**Additional output includes Letters, Editorials, and Short Surveys, reflecting a diverse and dynamic research culture.*

| A Global Network of Strategic Partnerships

151 Conventions

Broad framework agreements
across the globe, fostering
academic and cultural exchange.

58

Arab Institutions

93

Foreign Institutions

53 Inter-Institutional

Specific operational agreements
between the University of Sfax and
leading foreign institutions.

Elevating Global Academic Standards

22 Double Degree Agreements

Providing our students with dual certification and significantly enhanced international employability.

International Mobility

Programs designed to align with European and global credit transfer standards (ECTS).

Competitiveness

Strengthening the attractiveness of our training offers on a global scale.

| Leading International Doctoral Research

1,552
Co-tutelle Agreements

Advancing Global Knowledge

Our commitment to high-level research is demonstrated by a massive network of PhD collaborations.

08 Thesis Co-direction Agreements
Strengthening academic ties through shared expertise.

WORLD-CLASS RECOGNITION

Shanghai Ranking

1st Nationally in Sport Science
(Top 100 Worldwide)

Times Higher Education

2nd Nationally
Interdisciplinary Science
Rankings

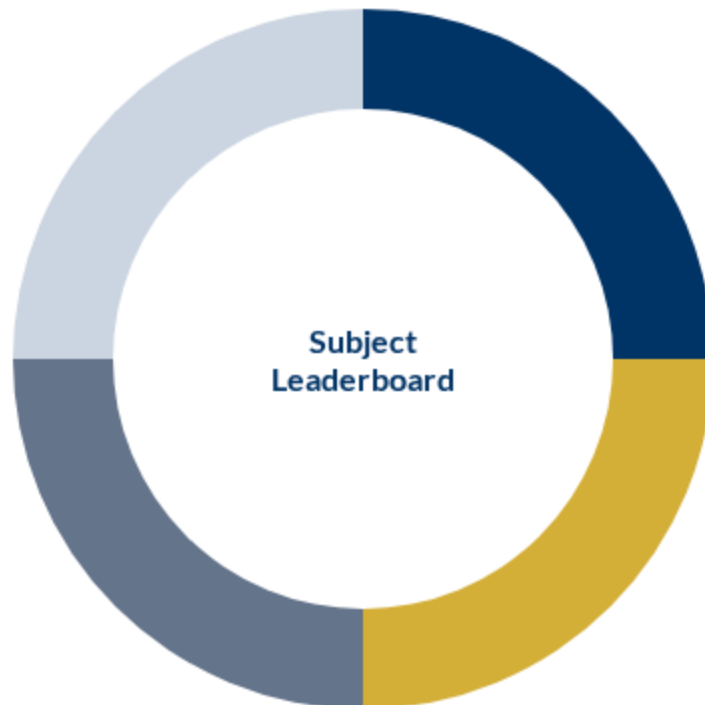

U.S. News Ranking

1st Nationally
Academic Influence & Research
Output

Also ranked 1st nationally by CWTS Leiden, Research.com, and AD Scientific Index 2026.

EXCELLENCE ACROSS SCIENTIFIC FIELDS

- Chemistry (1st Nationally)
- Biology & Biochemistry (1st Nationally)
- Computer Science (1st Nationally)
- Engineering & Tech (2nd Nationally)

STRATEGIC AXES: VISION 2030

Strengthen Research: Increase the quality of publications in high-impact journals.

International Mobility: Attract more international students and diversify academic partnerships.

Modernize Infrastructure: Strategic investment in digital labs and technology equipment.

Sustainability & SDGs: Embedding 17 UN Goals into the university's mission and governance.

Sustainable Funding: Diversify sources via private partnerships and international project calls.

Strategic Communication: Highlighting achievements on the global scientific stage.
